DETAILED ACTION

Allowable Subject Matter

1. Claims 7 and 11 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art cited does not anticipate individually nor teach in combination the following limitations:
 - A light guide plate made of a plate-like light transmitting material and having a bottom side that comprises a plurality of different kinds of reflections means that form a reflection surface; and an illuminating light source arranged opposite a light receiving side surface of the light guide late, wherein two of the reflection means meet at a smooth boundary that is free of any step, wherein a first one of the reflection means is formed of textured undulations of a predetermined shape and a second one of said reflection means is formed of prisms, wherein each of the prisms has an upslope that forms an angle relative to one of first one of said reflection means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anabel M. Ton whose telephone number is (571) 272-2382. The examiner can normally be reached on 08:00-16:30.
